### UHD Show Case Projects Leveraging Cyber Infrastructure 1:00 - 2:15 PM

## Cognitive Learning Style and its Effect on the Perception of Learning, Satisfaction and Social Interactions in Virtual Teams

**Presenter:** Margaret Shipley, Professor, Department of Management, Marketing and Business, University of Houston-Downtown

#### **Intelligent Traffic Simulation using Clusters**

**Presenter:** Ongard Sirisaengtaksin, Professor, Department of Computer and Mathematical Sciences, University of Houston-Downtown

# **Application in Large Scale Computational Biology with Cluster Computing**

**Presenter:** Hong Lin, Assistant Professor, Department of Computer and Mathematical Sciences, University of Houston-Downtown

#### **Genome Analysis**

**Presenter:** Akif Uzman, Chair, Department of Natural Sciences, University of Houston-Downtown

#### **Atmospheric Balloon Studies**

Presenter: Donald Musselwhite, Lecturer, Department of Natural Sciences

#### **Computational Chemistry**

Presenter: Maria Benavides, Assistant Professor, Natural Sciences, University of

Houston-Downtown

**ANOTHER ONE Presenter:** TEXT

## Access Resources and Grant Opportunities for Faculty in Multiple Disciplines

Support your research and teaching!

Do you need access to:

large databases for research?

visualization sources?

expensive instruments?

grant opportunities no matter what subject area?

Start your Cyber Infrastructure journey on Friday by registering at www.uhd.edu/ciday. You won't want to miss the information presented for grant and research opportunities!

Lots of food and door prizes too!

(Must be present to win.)

Registration and Coffee	10:55 - 11:15	National Selected Show Case Projects: Cyberinfrastructure and the Arts
Welcome and Opening Remarks  Max Castillo, President, UHD  Molly Woods, Vice President for Academic Affairs and Provost, UHD  Hossein Shahrokhi, Division of Information Technology, UHD  Richard A. Aló, Executive Director for Grants and Contracts, College of  Sciences and Technology, & Executive Director, Center for Computational  Sciences and Advanced Distributed Simulation, UHD  Amelia A. Rouse, University of New Mexico, Facilitator		Cyberinfrastructure, the GridJam and Visual Music Presenter: Jack Ox, Research Professor and Artists in Residence at the ARTS Lab, University of New Mexico
	11:30 - 12:00	National and Regional Organizations Supporting Faculty in Cyberinfrastructure
Keynote - Overview of Cyberinfrastructure and the Breadth of Its Application  An overview of resources, projects and virtual organizations utilizing and available as cyberinfrastructure for faculty and student research and education.  Presenter: Geoffrey C. Fox, Professor of Computer Science, Information Science and Physics, Community Grids Lab, Indiana University		Panel Discussion Russ Hobby, University of California, Davis, Cyberinfrastructure Days and Internet 2 Brad Armosky, TeraGrid and the Texas Advanced Computing Center, University of Texas at Austin Alex Ramirez, Minority-serving Institutions Cyberinfrastructure Empowerment Coalition (MSI-CIEC) and the Hispanic Association of Colleges and Universities (HACU)
9:15- 10:00  National Selected Show Case Projects (with strong student research components)  Environmental study of Melting Polar Ice Cap (Cyberinfrastructure, Remote Sensing, Collaboration and the PolarGrid) Presenter: Linda B. Hayden, Professor of Computer Science, Director of Center of Excellence in Remote Sensing Education and Research, Elizabeth City State University	12:00 - 1:00	Lunch and more **Door Prizes**
	1:00 - 2:15	UHD Show Case Projects Leveraging Cyberinfrastructure (See back of brochure for detailed list of UHD presentations.)
The Texas Learning and Computation Center (TL2C)  Presenter: S. Lennart Johnsson, Professor of Computer Science, Mathematics and Electrical and Computer Engineering, Director of the Texas Learning and Computation Center, University of Houston – main campus	2:15 - 2:30	Break - Meet UHD's new Director of the Office of Sponsored Programs, Carolyn Ivey. (**Door Prizes**)
Break - Meet UHD's new Director of the Office of Sponsored Programs, Carolyn Ivey. (**Door Prizes**)	2:30 - 4:00	Benefiting from Cyberinfrastructure: Facilitated Discussion Strategic Directions through Examination of the Needs, Strengths, and Funding Opportunities
National Selected Show Case Projects (with strong curriculum		<b>Facilitator:</b> Amelia A. Rouse, Institute for Public Policy, University of New Mexico
Computational Science and Education K-20 Presenter: Robert M. Panoff, Executive Director, Shodor Foundation  Tools and Environments for Education	4:00	Special Session Computational Science Education Presenter: Robert M. Panoff, Executive Director, Shodor Foundation
	Welcome and Opening Remarks  Max Castillo, President, UHD  Molly Woods, Vice President for Academic Affairs and Provost, UHD  Hossein Shahrokhi, Division of Information Technology, UHD  Richard A. Aló, Executive Director for Grants and Contracts, College of  Sciences and Technology, & Executive Director, Center for Computational  Sciences and Advanced Distributed Simulation, UHD  Amelia A. Rouse, University of New Mexico, Facilitator  Keynote - Overview of Cyberinfrastructure and the  Breadth of Its Application  An overview of resources, projects and virtual organizations utilizing and  available as cyberinfrastructure for faculty and student research and education.
